**RE: Advertising in Good Life Connoisseur Magazine**

We have been advertising in the Good Life Connoisseur Magazine since the Fall Issue in 2006 and have found each issue to be of a high quality with well written articles and a pleasing layout. In addition, the magazine staff have always been pleasant and helpful.

One of our target audiences is collectors of fine art throughout Western Canada and we believe that the Good Life Connoisseur magazine provides an excellent showcase for our products to reach this audience. Although many new customers do not relate to us how they found our gallery, we have had several inquiries from Vancouver which are attributed directly to our advertisements in Good Life Connoisseur magazine.

We look forward to a long term relationship with Good Life Connoisseur magazine and wish them the best of luck with their new publication for Eastern Canada as well as the Good Life Living Green magazine.

Yours truly,

MARIE WOOD
