Terry,

It has taken me a while to write and I apologize.

I do want to compliment you and your staff on the consistent quality and presentation of the Good Life Connoisseur magazine. Not only is the magazine informative and entertaining, it has a high-end format that is amongst the best.

I am particularly pleased to see the Marquis Jet brand displayed to your readers - a readership that has not only generated sales leads for Marquis Jet but garnered the recognition and compliments of several key prospective customers and co-marketing partners. Good Life Connoisseur speaks to our most desired and highest potential demographic.

Keep up the great work and continued success,

Ken C. Newman
